Important Note About Using Font Awesome:

You do not need to setup a Font Awesome account (free or otherwise) to use Font Awesome. Just download a local copy of Font Awesome and use it with your project. You can download the required Font Awesome files here:

<https://fontawesome.com/how-to-use/on-the-web/setup/hosting-font-awesome-yourself>

...and attach them to your HTML file

Read the Font Awesome documentation to learn how to use the icon fonts. You can read the docs at this web page:
